New Braunfels Cemetery

PRESERVE. EDUCATE. HONOR.

Scan QR code to learn more.

This memorial project will honor the sacrifice made by numerous souls who died while settling New Braunfels and were buried in unmarked graves at the historic New Braunfels Cemetery. The memorial is an opportunity to tell the story of brave families, create pride in our community and honor the souls interred in unmarked graves.

With the help of your generous donations, this memorial will become an interpretive teaching space helping residents better understand our history. The memorial will be a destination for visitors providing a connection with the past. The memorial will include an eight-foot stone monument, educational signs, native prairie meditation meadow, seating and walking paths.
