# LLANO ESTACADO WINERY

LUBBOCK, TEXAS

# LLANO

## LLANO CHARDONNAY

Winery: Llano

Region: Texas

Taste Profile:

Varietal: Chardonnay

Wine Color: White

Vintage:

**Tasting Notes:** The Chardonnay is a blend of 99% Chardonnay and 1% Viognier all sourced from our premium West Texas vineyards. This wine was blended as juice, and cold fermented in our stainless-steel tanks to create a more fruit forward and aromatic wine. We allowed a partial malolactic fermentation to create a softer texture and for additional complexity. We aged this wine on its lees for 7 months in a stainless-steel tank, with occasional mixing to add some richness on the palate.

By withholding contact with new oak barrels and limiting the degree of malolactic fermentation, we achieve a green-gold-tinged wine with crisp acidity, herbal, creamy, lemony citrus fruit flavors, with a smooth yet refreshing finish.

# LLANO

## LLANO MOSCATO

Winery: Llano

Region: Texas

Varietal: Muscat Canelli

Vintage:

Taste Profile: Sweet Wine Color: White

**Tasting Notes:** Our Moscato is a wine made from the Muscat Canelli grape and styled after the kind made famous in the Piedmont region of Northern Italy. By arresting fermentation at harvest, we are able to retain a vibrant focus on aromatics and ample residual sugar to balance the acidity.

# LLANO

## LLANO SHIRAZ

Winery: Llano

Region: Texas

Varietal: Shiraz

Vintage:

Taste Profile: Semi Dry

Wine Color: Red

**Tasting Notes:** The 2020 Shiraz is a blend of 79% Shiraz (or Syrah), 20% Tempranillo, and 1% Aglianico. The wines were fermented separately and blended after completion of Malolactic fermentation.

Controlled use of oxygen during maturation created a medium bodied wine with smooth texture and jammy flavors. Think blackberry jam meets smoky, chocolate with a hint of mint- delicious! Serve slightly chilled with anything off the grill or with your favorite pizza.
